

The Home and School Association Song

The Board of Directors of the Ontario Federation of Home and School Associations officially adopted “The Home & School Association Song” introduced at the 1977 Leadership Conference. The lyrics were written by Mr. George Gall, Area Superintendent, Windsor Board of Education and it is sung to the tune of the Battle Hymn of the Republic.

CHORUS

HOME AND SCHOOL ASSOCIATION
HOME AND SCHOOL CO-OPERATION
PARENT-TEACHER DEDICATION
TO CHILDREN EVERYWHERE

VERSE # 1

In the life of every child there are
two forces which are real

Two forces which together can
promote the high ideal

The home and school united as a
wheel within a wheel

As they turn in Harmony

CHORUS

VERSE # 2

As parents and as teachers we
must strive from day to day

To ensure our children’s welfare in
the home, at school, at play

For the leaders of tomorrow are
the children of today

And we must help them grow

CHORUS

VERSE # 3

So let us stand together so that as
we stand we’ll see

Our children grow in body, grow in
mind and dignity

They’ll grow in love of fellow man,
of country strong and free

And as we stand we’ll sing

CHORUS
