

Desk of President

March 2018

A Note from the Desk of the President:

Good day members!

March is upon us and this means we are getting closer to our Conference & Annual Meeting. Communication and transparency is of great importance to the Federation. We have informed our members via mailings, *Virtually Yours*, the *OFHSA Bulletin*, website, social media and a membership survey. The OFHSA office is always available to answer questions or connect members to a Director as needed.

The Federation level is always in need of volunteers. The *Federation Volunteer Form* and the *OFHSA Workgroups* brochure are included in this mailing. If you have interest in joining the OFHSA Board of Directors and would like detailed information about a particular workgroup, please contact the office: **905-308-9563 or info@ofhsa.on.ca**

Important decisions at the Annual Meeting this year include voting on the *Notice of Motion – OFHSA Fees* (Membership Fees Survey was sent in February mailing for Association input), various bylaw amendments and one new resolution regarding screen time/device use. If you will be representing your Association as a voting delegate, please remember that your vote is on behalf of the Association, not yourself. Attending the Annual Meeting ensures your Association's voice is heard. It is of the utmost importance that you contact the submitting unit(s) prior to the Annual Meeting if questions arise after reviewing the *Annual Meeting Package*, as time is limited during the Annual Meeting this year.

On that note, I am looking forward to meeting everyone in person at Conference and the Annual Meeting.

Eugema Ings
OFHSA President
