

SPECIAL ANNOUNCEMENT

UNCHANGED!! OFHSA Membership Fee NEW!! Association Insurance Fee

Through OFHSA, school-based Home and School Associations are active in Ontario school communities. Many parents, school staff and community members volunteer with the local Association, giving their time and energy to work in partnership with the school.

OFHSA is leading the provincial parent voice for parent engagement providing our members with parent engagement and leadership with resources designed to be used in Ontario schools.

OFHSA has held firm on our fees for more than a decade while still providing services and resources that promote the “The Best for Each Student”. The past ten years have been marked by increasing costs, decreasing revenues and further demand on OFHSA services and resources. OFHSA has streamlined operational expenses, established various cost cutting measures, creating a more efficient Federation while still providing the services that are needed to support our members and local Associations.

With ‘*survival*’ in mind, the OFHSA Board of Directors sought the input of our members through a survey to determine the best course of action, and we are most appreciative of the guidance members provided.

In order to ensure OFHSA remains financially viable, continues to be an independent voice of advocacy in our education system, and relevant to local Home and School Associations, an annual Association Insurance Fee of \$100 was approved by members at the 2018 OFHSA Annual Meeting, effective September 1st, 2018.

Look for the Fall OFHSA mailing for tips on how the Association Insurance Fee can be incorporated in membership drive
