

OFHSA CITIZENSHIP AWARD

The Ontario Federation of Home and School Associations Inc. wishes to recognize students who demonstrate exceptional qualities in Citizenship. This award is for a student who demonstrates a concern for the betterment of society at school and in the community. This concern should be shown by having a helpful and considerate attitude towards classmates, teachers, and staff and by being involved in extracurricular activities, training programs and/or community service.

CRITERIA:

- The Association must be in good standing
- Previous Citizenship Award winners are not eligible
- The student does not need to be the child of a Home and School member
- Students must attend a school where there is an active Home and School Association

To be nominated the student must demonstrate some or all of the following:
