

H&S Pin

Worn proudly by members to show their support for OFHSA and its beliefs. This pin makes a wonderful thank you gift for members of your association or council or your principal or other supporter. Also makes a wonderful parting gift. \$10.

Trillium Service Pin

This honour is given to a member of OFHSA who has given at least two years outstanding service to the OFHSA Board of Directors.

Recommendations for this recognition can be made by any Board of Directors' member, and are approved by the OFHSA Board of Managers or OFHSA Executive Committee.

The Ada Courtice Certificate of Leadership and Learning

The certificate and pin are presented to a Home & School member who has successfully met the criteria in the **Volunteer Skills Portfolio**. Originally funded by a Trillium Grant, the program recognizes the development of members who have worked to extend their skills by being actively involved in a variety of areas including community involvement, communication, leadership and advocacy. Members register for the portfolio with the OFHSA office, then record their accomplishments and have them verified. Upon completion of the activities, the portfolio is forwarded to the Awards Workgroup.

Recognizing Outstanding Service

At all levels of OFHSA

“The Best for Each Student”

Updated June 2018

Volunteers Deserve Recognition

The accomplishments of Home & School Associations, Home & School Councils, and the provincial Federation depend totally on the initiative and dedication of OFHSA members.

OFHSA members – volunteers – contribute countless hours to enhancing the lives of children, youth and families. They support public education, health, safety and social well-being.

Acknowledging and honouring the significant contributions made by members of the Ontario Federation of Home & School Associations is a privilege.

Do you know someone who deserves recognition?

If so, consider the following ways to thank them for their contribution to Home & School.

Federation Life Membership

Bestowed upon an individual who has made a significant contribution, through outstanding service, to the Federation. Presented by the OFHSA Board of Directors.

Past-President's Pin

An excellent way to thank an outgoing Association or Council President and show appreciation for their hard work and the commitment shown throughout their term of office.

Jeweller's quality, brushed gold. \$40.

Association Life Membership

Bestowed upon an individual who has made a significant contribution, through outstanding service, to a Home and School Association.

With Executive approval, an Association may purchase a pin and certificate to present to the deserving member. A Life Member of an association no longer has to pay the annual membership fee and has full membership rights.

Association Life Memberships come with a pin and certificate and cost \$100.

Council President's Pin

A Home & School Council wishing to honour a current, new or outgoing Council President may present that individual with a Council President's pin. This is an excellent way to show appreciation.

Jeweller's quality, gold and blue with an enamelled trillium. \$25.

Council Life Membership

An individual who has served a Council in an outstanding way may be honoured with a Council Life Membership pin and certificate.

This recognition may also be given to someone who is not actively involved in Home and School, but who has made a significant contribution to the success of the Council.

Council Life Memberships come with a pin and certificate and cost \$100.
