

Celebrating 20 YEARS

Teacher / Staff Appreciation Week (TSAW)

February 11th - 15th, 2019

Teacher / Staff Appreciation Week (TSAW) was initiated by the [Canadian Home and School Federation](#) in 1988 to encourage parents and the wider community to recognize the personal and professional contributions that our educators and school staff make to children and their education.

Every school has dedicated staff members. TSAW lets them know they are appreciated and that parents want to work with them on the same team.

It takes a big
heart
to help shape
**little
minds.**
