Best Western Brantford Hotel

CONCERN AND IDEA FOR CHANGE

- **Policy workgroup LETTER OF INTENT** - amendments to current policy requesting OFHSA members approve update to policies related to smoking/vaping/drugs tolerance/display and promotion in accordance with current legislation
- **Policy workgroup LETTER OF INTENT** – Policy on Human Rights related to Bill 21- Quebec
- **The Canadian Home and School Federation** policy to encourage each community to make available mental health services and programs which will meet the needs of all children and youth.
- **The Canadian Home and School Federation** policy regarding impact of healthy sleep and late school start time for academic success

Policy - According to OFHSA's Policy Document - is 'a stand or position taken by Ontario Federation of Home and School Associations in accordance with the constitution and bylaws on matters that are beyond the internal legislative powers of the federation'.

SPEAK UP ON BEHALF OF MEMBERS!

Without the policies that are representative of OFHSA members - we are individuals speaking for ourselves – and we lose the benefit of belonging to a provincial organization bound together by common beliefs and goals.

ADVOCACY

OFHSA executive is instructed to speak on your behalf about issues that concern you to an organization that can affect public policy change.
