A nomination may be submitted by a non-member to an H&S Association member for completion. OFHSA will honour those who have made a significant contribution to the community with a prize pack valued over \$50.

This Honour is intended for individuals who have made a valuable contribution to the community. They may be a student, staff, volunteer or community member in schools across Ontario or a members-of the community, all who have been giving of themselves to achieve the aims and objectives of OFHSA. Whether they are leaders of the group, taking on a very public role, or the person who works quietly behind the scenes of events, these are the people who make OFHSA the great organization that it is and they deserve to be recognized.

“Bend like a willow in the breeze”. This phrase could not be more suited to the current times that families and communities have been faced with. Long-time Home & School members will have heard this phrase which has been used to describe the great flexibility we need in adapting to new, ever-changing and sometimes challenging circumstances. It was coined by a McLaughlin Award winner, while giving a workshop on teamwork. She went on to compare Home and Schoolers to willow trees, bending in the breeze.
